

Recreation FUN THINGS

Get your active on!

What better time than now to take advantage of the classes available in our beautiful recreation center!

We offer several classes at different times for different levels ALL YEAR LONG!

Check out Boot Camp, Zumba and 4 Week Fat Burn just to name a few!

Visit the website at www.cityofevans.org for registration, class times and descriptions.

“LIKE” EVANS RECREATION ON :

Evans Summer Day Camp Registration is OPEN!

Ages: 5-11
Camp runs: May 27-August 8

Come join us for a summer filled with fun and adventure!

Don't let your kids spend the summer sitting around the house with nothing to do.

The City of Evans Recreation is offering new and creative activities for the kids to do this summer!

Each week a different theme will be explored by the campers. Evans Summer Day Campers visit:

- ◆ the pool twice a week,
- ◆ the movies once a week,
- ◆ and enjoy field trips every Friday.!

Campers have the chance to sign up for discounted swimming lessons, transportation included!

All staff are CPR and First Aid certified and we are a licensed program through the state of Colorado.

All Summer \$1,050

4 Week Session
(June 2-27, July 7-August 1)
\$400

Weekly Rate \$125

Discounts given for additional children for all summer or 4 week session rates.

COMMUNITY NEWS

City PROJECTS

It's almost time! **The Evans Municipal Pool OPENS May 24th at 1 pm** and you won't want to miss out on all the summer fun!

May 2014

IN THIS ISSUE:

- ◆ Plant Care
- ◆ Noxious Weeds
- ◆ Watering Restrictions 2014
- ◆ Effective lawn watering
- ◆ All about the Pool 2014

City of Evans

1100 37th Street
Evans, Colorado 80620
(970) 475-1170
www.evanscolorado.gov

Save water—Save money—Beautify your home

Plant Care

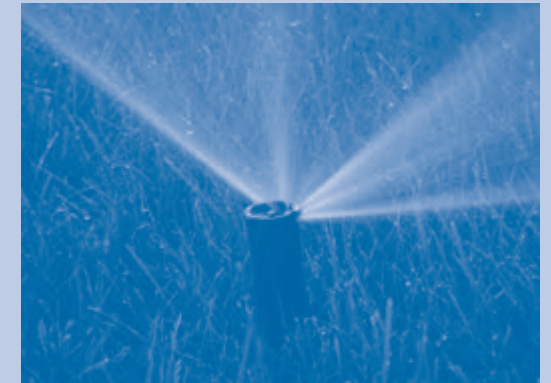

- ◆ Regularly prune plants, shrubs and trees to promote plant vigor. The best seasons to prune are winter or early spring.
- ◆ When pruning a tree, leave the entire branch collar (the joint where the branch meets the trunk) intact, allowing new bark to form over the cut.
- ◆ Prune shrubs every few years to promote an open plant with abundant flowers. Pruning flowering shrubs annually will also promote flower growth.
- ◆ Remove up to one third of a plant's oldest stems at ground level during winter months (renewal pruning). Use caution and do not remove too many stems or the shrub will become leggy.
- ◆ Remove a plant's spent blooms (deadhead flowers) to prolong flowering, improve appearance and prevent unwanted fruit or seeds from developing.

Keep the plants, lose the weeds

- ◆ Noxious weeds are not permitted to grow or remain on any property within the City of Evans
- ◆ Noxious weed identification may be found on the Colorado Department of Agriculture website:

www.colorado.gov/ag/weeds

- ◆ In addition to noxious weeds, any useless, troublesome or injurious vegetation in excess of 12 inches in height is considered a nuisance and may be required to be cut, trimmed or removed. Your property will look better too!

Watering in Evans 2014

Effective April 15, the following watering restrictions are in place:

No watering between 12 noon and 5 pm

Single family residences with **even-numbered** building addresses:

- ◆ Sunday, Tuesday and Thursday watering

Single family residences with **odd-numbered** building addresses :

- ◆ Monday, Wednesday and Saturday watering

Overwatering wastes money and doesn't improve the health of your lawn.

Use these tips to understand your lawn's water needs:

- ◆ Know your soil - how easy is it to insert a screwdriver right before irrigating?
- ◆ If a screwdriver can be easily inserted 3 to 4 inches into the ground you don't need to water.
- ◆ Water when footprints or mower tracks become clearly visible and remain for 20 minutes or more, or when the lawn takes on a bluish-gray color.
- ◆ Set sprinklers to water only the landscape; not sidewalks, driveways or other areas.
- ◆ Get maximum benefit from rainfall. Use a rain shut-off feature or skip a watering cycle after receiving at least ½ inch of rain.
